**SPECIAL 2 Blazin Bluegrass Canoe Trip Special**

**Sept. 19th 2012 9:00am Discounted Blazin Bluegrass Rate: \$22.50**

This 4.8-mile trip is our most popular ½ day canoeing trip. The put-in is at Blue Heron - an old mining town that has been turned into an interpretive area by the National Park Service. You are welcome to tour the grounds before starting your canoe trip. This trip can easily be done in about 2 ½ hours, but you are free to spend all day on the river.

**SPECIAL 3 Blazin Bluegrass Whitewater Rafting Trip Special**

**Sept. 23rd 2012 08:30am Blazin Bluegrass Rate: \$68.00 ages 13 & up  
\$60.00 ages 6 - 12**

This all day adventure is ideal for family outings, beginners and people who want to get wet in the heat of the summer. The trip starts at the Outfitters and then "puts-in" just below [Cumberland Falls](#). After a view of the falls (from the bottom!), the trip heads downstream, encountering [Class III](#) rapids with names like Center Rock and Surfing Rapid. After the 5 miles of rapids, we will have some method to get you out depending on the [2012 lake levels](#). The method may also change depending on river water levels! For the last several years, we hiked small motors in to just below the last Class III, and then did a motorized raft ride to the take-out. We are expecting the 2012 lake levels to be similar. In any case, lunch is included!
